

# Castlebridge School Transition Plan

Tavistock

Welcome to Castlebridge School! We're delighted to support your child's smooth transition. This plan outlines key dates and activities to help them settle in confidently.

## Home Visits – Summer Term

Bridget Williams will be conducting home visits to get to know you and your child in a comfortable environment. These visits will take place during the following weeks:

- Week beginning June 9th
- Week beginning June 16th
- Week beginning June 23rd
- Week beginning June 30th

## Open Afternoon

Join us for an open afternoon to explore the school, meet our staff, and participate in fun activities.

**Date:**  
Tuesday, July 8th

**Time:**  
3:00 PM - 5:00 PM

## Individual School Visits

Your child will have the opportunity to visit the school individually to familiarise themselves with the environment and meet their teacher.

**Date:** September 3rd

Specific times for these visits will be communicated separately.

## School Opening – Autumn Term

We recognise that some of our pupils will need an enhanced transition and this will be decided upon in close partnership with the pupil, their family and the school. We acknowledge that this could look very different for each individual and are committed to making sure that we get it right for every young person.

## **Thinking ahead- Autumn Term**

It is planned that we will have an additional 8 primary aged pupils join the school in January 2026. Once places are confirmed with the LA then we will begin our transition process again.
