## September 2025!

Dear Parents and Families,

### Welcome to Castlebridge School!

We hope that you have all had a great summer break!

On Monday 8<sup>th</sup> September we will open our doors and are thrilled to officially welcome you to the very first school year at Castlebridge School. This marks the beginning of an exciting journey, and we couldn't be more excited to open our doors and hearts to you.

### Our New School Building is Ready! 🎉

After a lot of planning, teamwork, and hard work, everything has come together, and we are delighted with how it turned out. From the classrooms to ICT suite, and art room... it's all ready for our students to learn, grow, and have fun.

This is a major milestone for our community, and we couldn't have reached it without the incredible support of our staff, construction teams, and families.

### Cleverchefs:

Kylie, our chef from the catering company Cleverchefs has settled in the new kitchen and has been busy planning and preparing the WHISKED daily menu. The menu will change each week for 3 weeks and will be available to view on our website and meals can be purchased in advance via an easy to use app... ask us for more info!

If you haven't already done so...
